DESIGN EVENTS RULES

1) T-Shirt Design Competition

Submission Guidelines:

1. The design must be submitted on the T-Shirt template that will be provided by the organizers.
2. The design must not go onto the sleeves, or collar of the tee shirt. The front and back designs may be continuous, but may not be printed as such. Thus, for best results, the design must be confined to the large, seamless torso of the tee shirt.
3. The file format must be one *.jpeg file @ 100%, one *.jpeg file @ 25% and one *.psd file @ 100%. On the *.psd file, the design and the t-shirt template layer **MUST NOT BE MERGED**.
4. A short (max. 250 word) abstract of the design must be submitted in a *.pdf document, explaining the design and putting it in perspective, to allow for unbiased judging.
5. The Design should be submitted to the Organizers before **23:59, 7th March, Wednesday**. One of the organizers will be present at Sun Lab from 23:30PM. Submissions by mail will **not** be accepted.

Design Guidelines:

1. The design must only consist of solid, distinct colors. Any gradients of colors will not be accepted. In these cases, the participants will be forced to substitute the gradient with a solid color, and points reduced. Different opacities of same color are treated as different colors.
2. The design must NOT be an unmodified or barely modified stock image or photograph
3. The design must NOT be an unmodified or barely modified standard clipart.
4. The design must NOT contain any text or graphic that is considered vulgar, insulting or derogatory to any part of society, or

humanity as a whole. Interesting misspells of explicit language will not be encouraged either.

5. The NITTFEST logo provided by the organizers shall be placed on the right sleeve of the T-Shirt.

6. The NIT, Trichy logo provided by the organizers shall be placed on the left sleeve of the T-Shirt.

Failure to comply with these rules may lead to disqualification or a major loss of points. The organizers decision in this regard is final. The organizers may demand individual design elements on separate layers at any time during the judging process, to ensure that plagiarism does not take place. Participants are hence advised to keep their design elements on distinct layers and to rasterize any smart object or text layer before submission.

Scoring Guidelines:

Please note that this is a T-Shirt design competition, not a graphic art competition. Hence, submitted designs will be judged strictly based on the final T-Shirts themselves, and not the design on the computer. The designs are judged on, but not only on, the following:

1. Creativity
2. Content (Relevance to the department/discipline)
3. Coherence (Interplay of various design elements)
4. Typography (Font selection and utilization)
5. Colors (Colors must not exceed 7 distinct colors, including the base color)
6. Mass appeal

Points

First: 8

Second: 6

Third: 4

The Design should be submitted to the Organizers before **23:59, 7th March, Wednesday**. One of the organizers will be present at Sun Lab from 23:30PM. Submissions by mail will **not** be accepted.

Specifications:

- The Logo must be youthful, yet reflect the essential attitude, nature and psyche of a particular department.
- The dimensions of the logo may be of any proportion (Square/Rectangular). Please note, however, that the logo is meant to be horizontal, not vertical.

The Logo must be submitted in 3 files, of the following specifications, with a plain white background color and *.jpg extension:

1. Letterhead: 1000 x 500 px, 300 dpi, RGB
 2. T-Shirt: A4, 300 dpi, CMYK

 - Restriction on the T-Shirt version: The logo **MUST CONTAIN** only distinct colors. There is no limit on the number of colors.

Judging:

The logo will be judged on the following factors:

- All 3 versions of the logo will count towards the final score.
- Any non-adherence to aforementioned file specifications may result in a NULL score for that version of the logo.
- Participants are encouraged to think and design to the format of the event, as described above.

- The specific areas that a design may be judged on are (but not restricted to)
 1. Creativity
 2. Color Scheme
 3. Relevance
 4. Symbolism

Please note that participants are NOT expected to provide T-Shirt and Banner ideas. They are merely required to provide a version of their logo that can be incorporated into the same. Any additional design on the T-Shirt or Banner may be interpreted as part of the Logo, and hence may be subject to disqualification.

Also note that vulgarity and plagiarism will be considered serious offences, and may lead not only to certain disqualification from the competition, but from certain 'goodies' that all participants and departments are eligible for. Vulgarity and Plagiarism will be the sole discretion of the organizers.
